	13	Club meeting
	20	Club meeting
	27	Club meeting

Club meetings every Tuesday, 12:00 pm
at B's Backyard Barbeque

Pres Sez:

"Enough is enough" of this "white stuff." Spring is supposed to arrive this month, March 20. Oh well..... we won't need to turn our sprinkler systems on for a while.

Speaking of spring-don't forget to set your clocks forward by 1 hour before going to bed on Saturday, March 13, the beginning of daylight savings.

A reminder-if you know of a Kiwanis member who is in need of "cheering up" or "thinking of you" card please advise Don Ekberg, our sunshine chair.

The AMGEN Race (the largest North American bike race) with Big Bear being the final stage will be Friday, May 21. Volunteers will be needed, especially course marshals. Please mark your calendar if you will be able to assist. As more information is received, I will advise the club and a sign up sheet will be circulated to our members.

Aloha!!!!!!!

Gail Dick
Tim Dick,
The Big Bear Bum

***** Future Events *****

**MS Walk
April 17**

The walk for Multiple Sclerosis is coming up on April 17. Once again, we will be putting a walk team together and possibly help with an aide station. Mark this date on your calendar. More information will be coming soon.

**HOPE OF AMERICA
May 3, 2010**

The Kiwanis Club of Big Bear Valley will be holding its 11th annual Hope of America (HOA) Program on May 3, 2010 at the Big Bear Lake PAC. At that time 24 young people from each school of our school district will be honored with a CNH Foundation plaque and a \$100 savings bond. The HOA recipients have been selected by their teachers and principals based on the following criteria:

- Capacity for leadership,
- ethical and moral character and
- academic competency in general studies.

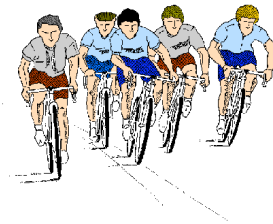

The superintendent, all principals, several teachers and many parents are normally in attendance. It is always interesting to see our great students and hear what they have done already and plan for later in life. Our program was publicized at the recent Mid-

year conference as being an exemplary example of an HOA event.

The High School Jazz Band will kick off the evening, as usual, with a concert beginning at 6:30 pm. The formal program begins at 7:00 pm with a social after the program in Hofert Hall.

**THE BIG BEAR
CLIMB
May 21**

Here they come! Big Bear will host the final leg of the AMGEN Bike Race. This is a professional race and will include **Lance Armstrong**. Volunteers will be needed in a variety of capacities. Mark this date on your calendar! Sign up at a meeting.
